Dear Mr. Pelchat.

Here is the additional information that was requested in reference to our revised waste handling and disposal procedures:

1 We confirm that waste storage areas will continue to be surveyed on a weekly basis

2 We confirm that waste will not be disposed of into normal trash until the material has been stored for a minimum of ten (10) half-lives, and until it has reached background levels

If we can be of any further assistance, please call Tara Domiter at (818) 717-4615.

Sincerely,
