Dear Mr. Hoesy:

Please change our NRC license 52-16061-02MD to remove San Lucas Hospital from the license entirely. As per our conversation today, please make Caribbean Nuclear Pharmaceuticals, Inc. the only licensee.

If you have any questions, please call Steve or myself at (334) 471-5445. Thank you very much for your help in this matter.

Sincerely,

**William J. Cox
President**
