SUBJECT: Transfer and Termination of Material License # 45-10542-01

This is a follow-up letter for the NRC Form 314, Certification of Disposition of Materials and your Tele Fax dated August 28, 1995. We request transfer of all license materials and records from NRC License #45-10542-01 to #45-02207-01. NRC License #45-02207-01 renewal package has been submitted for your approval. Please note that all activities involving license materials will continue at this facility under the NRC License #45-10542-01 until the renewal package for #45-02207-01 has been approved. At that time please terminate license #45-10542-01. Since use of license materials will continue, no radiation survey will be conducted. All records for #45-10542-01 shall remain at this facility.

All correspondence regarding NRC Licenses # 45-10542-01 and #45-02207-01 should be sent to the following address:

Radiation Oncology Department
Radiation Safety Officer
Virginia Baptist Hospital
3300 Rivermont Ave.
Lynchburg, VA. 24503

If you have any questions please call me at 804 947 4010 or my FAX number is 804 947 7400. Thank you.

Sincerely,

Van H. McComas
