Dear Ms. Heims,

As per our conversation on January 23, 1996, I am submitting this license amendment along with a copy of the Notice of Expiration for **License Number 45-02888-01**. We would like to request a **Timely Filed Letter** to maintain our activities with the Radiation Safety Program at Johnston-Willis Hospital while you consider our License Amendment. Your expediency in providing this letter would be most appreciated. If you have any further questions or concerns please do not hesitate to contact me at (804) 323-8288. I have discussed this License Amendment with Mr. John Pelchat.

Sincerely,

Lenna Deletis  
Director Nuclear Medicine
