MEMO TO FILE:

Per licensee's documentation, final shipment appears to have been made 11 Jan 96. However, the Rad material Transfer sheet from SIRB Tech, Inc. is dated Mar 23, 1995 and FAKED July 12, 1995 ??

How much activity has transferred in each of these shipments and was a final survey done by ARC professional Services Group. Facilities to verify no residual contamination (might have occurred from capsule breakage.) Survey should be done with liquid scint. counting of swipes. E. Wright

Also did L. Frankham do any surveys in his shop of 7/13/95. Licensee's survey results for 4/12/95 by HPSI are not legible. EEW
