RE: Amendment of License 45-02888-01 and 45-15249-01

ANSWERS TO: INFORMATION NEEDED FOR CHANGE OF OWNERSHIP APPLICATION

1. The new name of the licensed organization is Chippenham and Johnston-Willis Hospitals, Inc., which will be d/b/a Chippenham Medical Center and Johnston-Willis Hospital.
2. Licensee contact: Marilyn Tavenner, CEO
Chippenham Medical Center
7101 Jahnke Road
Richmond, Va. 23225
Phone (804) 320-3911

3. Changes in personnel are those stated in Amendment request dated 1/12/96. Additionally, we would like to add Dr. John L. Thornton as an additional alternate Radiation Safety Officer.
- 4,5. Technically, there has been no change in ownership, therefore, there is no "transferor". The two hospitals campuses were "merged" under one Medicare license, and a single Tax ID number, 54-1779911. There is a single Board of Directors with Dr. John L. Thornton as President, a single Chief of Staff, Dr. Barry W. Burkhardt, and a single Chief Executive Officer, Marilyn B. Tavenner.
6. There are no planned changes in organization, location, facility, equipment, or procedures, other than those listed in the 1/12/96 amendment request.
7. There are no planned changes in use, possession, location or storage of licensed materials.
8. No changes other than those listed in the 1/12/96 license amendment request.
9. All surveillance items and records (e.g., calibrations, leak tests, surveys, inventories, and accountability requirements) will be current at time of license amendment approval.
10. Licensed activities will continue at the same locations:

Johnston-Willis Hospital 1401 Johnston-Willis Drive Richmond, Va. 23235	Chippenham Medical Center 7101 Jahnke Road Richmond, Va. 23225
---	--
11. Not applicable, there is no contamination and there will be no decommissioning of either locations.
12. Not applicable.
13. This statement is to confirm that: the licensee agrees to abide by all commitments and representations previously made to the NRC by both license entities. These include, but are not limited to: maintaining all required records, completing any corrective actions for any open inspection items and enforcement actions.
