Re: Certificate No. 45-25228-01

Dear Sirs:

This letter is to advise that effective March 1, 1998 we would like to discontinue our NRC License. These gauges were purchased by Gooch Engineering & Testing, Inc. effective with that date. It is my understanding that they have already obtained their own license. Any refund needs to be made payable to Earth Tech and mailed to the address shown.

If you have any questions, please give me a call.

Sincerely,

Earth Tech, Inc.
