SUBJECT: Change of Radiation Protection Safety Officer
American Bituminous Power Partners, L.P.
80 MW Waste Coal Project
Grant Town, West Virginia 26574
Materials License # 47-25170-01

Dear Sir:

The purpose of this correspondence is to notify you of a change in the Radiation Protection Officer (RPO) at this facility. The previous RPO, Thomas McDowell, has left the employment of this facility. Please make the changes necessary to reflect that the new Radiation Protection Office is Thomas Dougherty. Mr. Dougherty is the Instrument and Electrician Department Supervisor and received the same post installation training as the previous Radiation Protection Officers. Attached is a copy of a letter from TN Technologies certifying this instruction.

Enclosed is check number 2466 in the amount of \$400.00. This amount is forwarded as payment for processing costs associated with amendments to a Materials License.

Thank you for your assistance in this matter. If you have any questions or require any additional information, I can be reached at (304)-278-6113.

Sincerely,

Steve Friend
Plant Engineer
