Radioactive Material License No. 45-19163-02

Dear Ms. Heim:

Effective April 3, 1995 Miles Inc will assume the name of its parent owner. Our name will change to "Bayer Corporation". Our current NRC license will also expire on June 30, 1995. With this letter we would like to effect the name change to "Bayer Corporation" and also renew the current license.

The following conditions remain: The company will adhere to the current commitments, and operational procedures/conditions of the license. The RSO at the facility has not changed. The ownership of the company remains the same, please reference the letter from Mr. Leonard Dwarica of Miles dated February 27, 1995.

Enclosed is a check for the sum of \$680.00 to effect the above changes. Should you have any questions I may be contacted at (703) 869-8352.

**Re: Miles Inc., P.O. Box 307, Middletown, VA 22645
Radioactive Materials License Number 45-19163-02**

Dear Mr. Wright:

Miles Inc. and the Nuclear Regulatory Commission are parties to the Radioactive Materials License which is referenced above

Miles Inc. will be changing its corporate name to Bayer Corporation effective April 1, 1995. The rights and obligations of Miles will be continued by operation of law by Bayer Corporation as of that date. There has been no change in ownership; this is simply a name change.

The location of the current Miles facility which is the subject of the referenced Radioactive Materials License, the activities conducted at that facility, and the corporate management remain unchanged. All procedures, and facilities otherwise described in the existing license will remain unchanged and Bayer Corporation will commit to operating as specified in the original application dated April 27, 1990. Any correspondence from your agency regarding the Radioactive Materials License referenced above should be directed to Bayer Corporation at the same mailing address currently on file.

This notification is being sent to you so that you can adjust your records and make any necessary notifications within your organization

Because our corporate structure will not change as a result of the name change, please advise us if there is a need to formally amend the license which currently exists between the parties

Should you have any questions, please feel free to contact the undersigned

Sincerely,

Leonard A. Dwarica
