SUBJECT: License No. 45-25254-01

Dear Sirs:

We are writing to notify you that we have sold and transferred our nuclear density gauge (Troxler Model 3440). In accordance with NRC regulations, we have verified by copy of license that the firm receiving our gauge has a valid NRC Materials License (#45-25350-01).

Also, please accept this as notice that Ralph Whitehead & Associates will not renew our current license which expires July 31, 1998.

If you have any questions or need additional information, please call.

Sincerely yours,

RALPH WHITEHEAD ASSOCIATES, INC.
