Division of Nuclear Material Safety  
Nuclear Regulatory Commission  
Atlanta, Georgia

Dear Mr. Hosey:

Please change our NRC license 52-16061-02MD to remove San Lucas Hospital from the license entirely. As per our conversation today, please make Caribbean Nuclear Pharmaceuticals, Inc. the only licensee.

If you have any questions, please call Steve or myself at (334) 471-5445. Thank you very much for your help in this matter.

Sincerely,

William J. Cox  
President
