MEMORANDUM TO: Calhoun General Hospital Docket File
FROM: Jay L. Henson, Health Physicist - M-182
SUBJECT: Termination of License No. 47-19521-01

Reference Memorandum in this docket file dated February 27, 1996. The Minnies letter dated March 11, 1996. As stated in this request for termination 1996, and the corporation was dissolved. None of the corporate officers or occupant, MHC,.

I contacted Ms. Martha Hayaker of the Calhoun County Bank [(394) 354-6115] to discuss the status of CGH. She stated that CGH did not declare bankruptcy, but that the corporation was dissolved and no longer existed. She further stated that the bank was receiving all mail addressed to CGH, but the bank did not represent the interests of CGH and that no lawyer or other party currently represents the interests of CGH. I asked if she wanted a copy of the termination of this license, and she said no. She said that all CGH mail forwarded to the bank, excepting a medical item of interest to MHC, it will be forwarded to the MHC office.

In addition, I have been advised by the MHC office that the current termination of the departmental license of the licensee. The license will be terminated at the end of the month of April, twenty-eight days from the receipt of this letter.
