Dear Mr. Hosey:

We would like to delete Mohammed M. Al-Mahdi as Nuclear Safety Officer. Rosalinda Brown will be replacing Mr. Al-Mahdi. Rony Avlos will continue to act as our alternate.

Enclosed is Ms. Brown's Troxler Certification and her resume, which will give you some information on her educational background. She has been made aware of Ambric's safety procedures in reference to the nuclear gauge.

If you have any questions or need additional information, please feel free to contact our offices at (703)370-3100.

Sincerely,

Richard Knauf, P.E.
