

DL-042497_04

April 24, 1997

**Nuclear Materials Licensing Section
U.S. Nuclear Regulatory Commission
Region II - Atlanta
Federal Center
61 Forsyth Street, SW, Suite 23T85
Atlanta, GA 30303**

Subject: New Material License Application

**Reference: USNRC Material Licenses
45-01291-02 (Carilion Roanoke Memorial Hospital)
45-12706-01 (Carilion Roanoke Community Hospital)
45-07950-01 (Carilion Radford Community Hospital)**

Carilion Health Systems is submitting this Material License Application to terminate the three existing material licenses referenced above and replace them with one system (corporate level) material license. This request is consistent with our present corporate strategy of providing a health care system with standardization of medical and facility services throughout the entire affiliate system of medical facilities in the Carilion Health System.

An application fee of \$1800.00 has been enclosed to initiate review of this license application request. We remain available to provide additional information and appreciate your prompt attention to this request.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael G. Ballantyne".

**Michael G. Ballantyne, Vice President
Facility Services - CHS**
