Re: Materials License 45-25057-01

Dear Mr. Henson:

This letter is being sent to notify the Nuclear Regulatory Commission (NRC) that IIT Research Institute (IITRI) decided on Tuesday, March 24, 1998 that we intend to close the facility located at 8510 Cinderbed Road, Suite 300, Newington, VA 22122 on September 30, 1998. IITRI management has decided to permanently cease principal activities at this site which were conducted under NRC Materials License Number 45-25057-01

The Final Status Report with the final radiation survey results will be forwarded to the NRC with a request for license termination when decommissioning activities are completed

We will be pleased to forward any additional information that you need. Please contact me with any questions, or Rich Doyle who is the alternate Radiation Safety Officer

Best regards,

Patrick J. Dussia
Radiation Safety Officer
