Dear Ms. Bailey,

As a follow up to your inspection visit yesterday, I am writing to confirm that we would like to end our Radioisotope Use License, # 45-25143-01, immediately. The faculty of this department has agreed that we are no longer in need of the license since no one will be using radioisotopes in the future. As I mentioned to you yesterday, although we obtained the license in 1991, we have never purchased nor used any radioisotopes on this campus.

Sincerely,

Louise B. Montgomery, Ph.D.  
Chair, Biology; Radiation Protection Officer
