Re: License # 45-25005-01

Dear Sir or Madam:

Effective October 1, 1996, please cancel the USNRC license for Hatcher-Sayre, Inc. (Our license has been paid through September 30, 1996.) We have sold the assets of our Geotechnical Division, and we no longer maintain nuclear density gauges on our premises.

Thank you for your assistance.

Sincerely yours,

HATCHER-SAYRE, INC.
