## SITE STATUS REPORT

OCTOBER 23, 1996

Docket No. not available

License No. CSA-03518

Licensee Name: Virginia Polytechnic Institute

Site Name:

Site Address:

City: Blacksburg State: Va zip:

Regional Contact: Jay Henson

PHONE: (404) 331-0344

Status Summary:

ORNL Final Score: 1.48

Background

As noted in the ORNL summary no license copy is available. Based on information from a 1957 inspection the license was issued June 7, 1956. The license authorized possession of 2500 pounds of natural uranium in aluminum clad slugs. No expiration date after June 30, 1960 is available.

Assessment

Region II staff obtained a document from VPI that indicates this license was converted to license No. SUD-120 and that the licensed material was subsequently transferred to authorized recipients for disposal in 1985.

Based upon the above assessment it is recommended that the terminated sites status for this site be changed from "open" to "closed"
