Dear Mr Wright.

Since I have requested to terminate my above license in my letter of April 1996, I have not renewed my license but I am still getting bills for the payment of license fee. Would you please advise me if I have to continue to pay my license fee?

The Nuclear Medicine program was discontinued since November 1993 and this was also notified to your office per my letter of November 4, 1993. I tried to reach you by phone unsuccessfully. I would appreciate if you would give me a call at your convenience. Copies of my previous correspondence are enclosed.

With thanks and kind regards.

Yours sincerely,

V. Sahadevan
