Subject: NRC License 45-11598-02

Gentlemen:

The subject license has been inactive for several years and we no longer have a use for the privileges this permit provides. Therefore Newport News Industrial requests termination of the subject license effective immediately. A copy of the license is enclosed for your information.

We were not aware of the requirement for submittal of this notice before October 1 to avoid a billing for the 1999 materials fee. Since we will have no further use for these materials, we request a waiver of this fee and a cancellation of the current invoice.

If you have any questions or need additional information to complete this termination please contact C. Lee Trent at (757) 380-7594.

Sincerely,

L. S. Moran
Director and General Manager - NNI
